BHAVAN'S FAITH

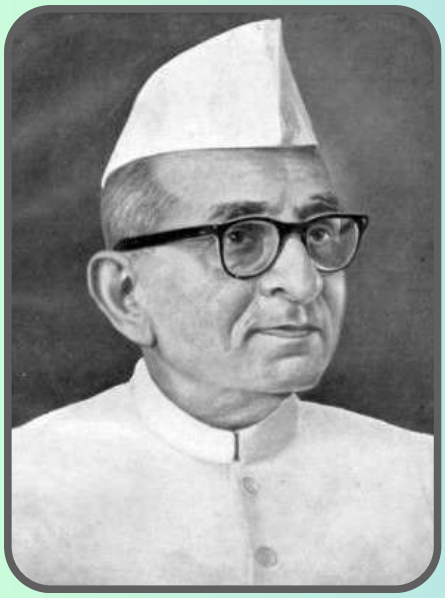
The Bhavan stands for the reintegration of Indian culture.
In a world falling to pieces under the impact of an amoral technological avalanche, it tries to hold fast to the fundamental values for which our culture stands **Rita, Satya, Yagna and Tapas.**

- FAITH in God, who forms the Cosmic Order
- TRUTH which is an accord between mind, word and deed
- DEDICATION which offers all movements of life as an offering to god
- SUBLIMATION which purifies the body and mind and transmutes instincts, passions and emotions into things of beauty.

This, regardless of forms and doctrines, is Dharma, the three-fold aspects of which are **SATYAM, SHIVAM, and SUNDARAM**—Truth, Love, and Beauty.
For these values our forefathers lived and died. So did Sri Ramakrishna Paramahamsa, Swami Dayananda, Swami Vivekananda, Gandhiji and Sri Aurobindo.

Munshji with Frontier Gandhi Khan Abdul Gaffar Khan

OUR FOUNDER FATHER- Dr. K.M MUNSHI



Born on December 30, 1887, Dr. Kanhaiyalal Maneklal Munshi, was a “versatile personality”, “a philosopher in action”, “a man of great ideas and great courage” and “multi-faceted genius”. A luminary in India’s socio-political landscape- he was a multifaceted figure whose versatility is seen in his roles as a lawyer, creative writer, constitution maker, freedom fighter, administrator, organization builder and a champion of Indian culture.

Munshi ji’s ideals centered on the harmonious integration of modernity with traditional Indian values. As the founder of Bharatiya Vidya Bhavan in 1938, with the blessings of Mahatma Gandhi, he aimed to revive and propagate India’s cultural heritage. Bhavan became a manifestation of his vision, symbolizing cultural renaissance and holistic education.

Today, the Bhavan is ceaselessly striving to carry forward India’s ageless message of faith, self-discipline and dedication; Shraddha, Samyamaand Samarpana. Incorporating Munshiji’s ideals of “**Vasudhaiva Kutumbakam”** -*The world is one family* and **“Sarva Dharma Samabhava”**- *All paths lead to the same truth*. Its motto is **आ नो भद्राः क्रतवो यन्तु विश्वतः -** *Let noble thoughts come to us from every side.*

OUR CULTURE

India is the motherland of spiritualism. Beginning from the Vedic age it has had a continuous existence, developing the power of the spirit. Indian Culture, based on this, foundation alone can save mankind. The freedom of India therefore, is essential, not only for herself but for the world; her leadership is the only hope for mankind.

Indian culture, Dharma, is not composite in the sense of comprising various separate ways of life. It is a homogeneous way of life; it is composite in that it has derived inspiration from many sources and is moulded by many influences. But it is one way of life and has one organic outlook; one set of fundamental values; one underlying idea guiding and forming the values which flow through the stream of life.

Before the dawn of history this culture had developed the central idea of Dharma. It predicted an unalterable faith in human endeavour, self-restraint (Samyama) and Self -discipline (Tapas). Emphasis was laid on individual experience and becoming rather than on belief and the scriptural word. Fulfilment was attained only when a man shed his limitations and became divine in this life.

Running through diverse religious beliefs and social injunctions the emphasis was on the observance of the great vows - non-stealing, continence and non - possession as the essential steps in man's advance mahavratas of non-violence, truth, towards the life of the spirit. Human behaviour and outlook had therefore to be harmonized and regulated by the ethical and spiritual values calculated to lead to this goal.

This central Idea in Indian culture, coming to us through the ages, regulates our characteristic way of life; it is sustained by the Message, of Gita which is a great scripture; The Upanishads, the Ramayana and the Mahabharata elaborate expositions thereon and the lives and teachings of Dayanand, Ramakrishna, Gandhiji and Aurobindo are but modern commentaries.

SCHOOL INFORMATION

SCHOOL TRANSPORTATION

The school provides extensive transportation coverage with a fleet of multiple well-maintained buses, ensuring the safe and reliable pick-up and drop-off of students. Each bus is equipped with GPS and CCTV cameras to ensure real-time tracking and enhanced safety. Drivers and lady attendants are employed only after thorough police verification and are trained to ensure secure and dependable transportation. Additionally, the school app enables parents to monitor their child's location during the commuting, offering safety and improved communication.

PARTNERSHIP WITH PARENT

At Bhavans' the parents are considered as the vital partners to ensure a successful educational journey of our students, and their involvement is highly valued. To foster this collaboration, the school emphasizes regular and meaningful communication between school and home, encouraging active participation through the Parent-Teacher Association (PTA).

INTEGRATED APPROACH

The school provides diverse and tailored learning experiences that align with each student's unique potential, ensuring the optimal growth of their abilities and encouraging positive pursuits.

PHYSICAL DEVELOPMENT: This is nurtured through health care education, yoga, and active participation in a wide range of games. Students gain proficiency in athletics and gymnastics while being introduced to Scouts & Guides, road safety, camping, trekking, and mountaineering to build strength, resilience, and teamwork.

COGNITIVE DEVELOPMENT: Education extends beyond textbooks, incorporating real-life experiences, the analysis of current situations, and discussions that enhance critical thinking. The use of audio-visual aids and library-based programs enriches the learning environment, complemented by remedial and enrichment activities. Educational tours, excursions, and dedicated counselling services further contribute to the nurturing of well-rounded, thoughtful individuals.

INTEGRATED APPROACH

VITAL, EMOTIONAL & SOCIAL DEVELOPMENT: Students are provided with ample opportunities for holistic growth through exposure to fundamental arts, including music, dance, drama, drawing, painting, clay modeling, crafts, and hobbies. This development is further enriched through the house system, work experience, community service activities, leadership training, and national exchange programs. Additionally, life-skills courses are integrated into the curriculum to foster personal development and equip students with essential competencies for life.

MORAL, PSYCHIC & SPIRITUAL DEVELOPMENT: The school places great emphasis on instilling core values to guide students in their personal and social lives. Morning assemblies include devotional music and patriotic songs, complemented by meditation sessions and thought-provoking quotations from scriptures, saints, philosophers, scientists, and statesmen. Reflective activities such as nature walks, star-gazing, yoga, and meditation are encouraged, promoting inner growth and mindfulness. The school upholds the principle of "practice before preaching," setting an example for students through meaningful actions.

BEYOND CURRICULUM

WASTE MANAGEMENT INITIATIVE

The school operates a dry-waste management program as part of its environmental commitment and responsibility. To promote sustainable practices, community work and ecological awareness, students actively volunteer to help in collecting the dry waste from various parts of the school. This waste is then sorted into categories such as paper, plastic, and hazardous waste. The biodegradable waste is subsequently sent for recycling, promoting environmental stewardship and the importance of waste reduction among students.

ROTI BANK INITIATIVE

This compassionate initiative encourages students from Nursery to Class XII to donate one roti every Friday. The collected rotis are handed over to the volunteers of the Robin Hood Army, who distribute them to underprivileged individuals on the streets of Delhi. This program instils empathy and social responsibility among students, helping them understand the importance of giving back to the community.

HERBAL GARDEN

The school's Herbal Garden is an interactive space that supports experiential learning, allowing students to explore the nutritional and medicinal benefits of various herbs through hands-on activities.

The Herbal Garden Club organizes quizzes, presentations, and creative projects to enrich students' understanding. Teachers incorporate this garden into interdisciplinary lessons covering Science, Mathematics, Language, and Art, while Home Science classes use it to teach organic cooking techniques, enhancing culinary skills with a focus on natural ingredients.

BEYOND CURRICULUM

HUG WITH WARMTH

Mehta Vidyalaya annually organize the ‘Hug with Warmth’ initiative, which is a compassionate movement that invites students and families to donate unused woollens during the winters. Through this heartfelt effort, warmth and kindness are shared with those in need, bringing comfort and hope during the chilly months. Our students exemplify empathy and social responsibility, making a tangible difference in the lives of the less fortunate.

INTERNATIONAL CULTURAL EXCHANGE

Mehta Vidyalaya offers students invaluable opportunities to immerse themselves in diverse cultures and traditions, fostering global citizenship and cross-cultural understanding. With partnerships across Australia, Taiwan, South Korea, Japan, and the United Kingdom, students participate in activities such as Chinese calligraphy, Indian classical dance, culinary workshops, Taekwondo, and Korean language classes. Exchange tours to partner countries further enhance these experiences, strengthening international bonds. Various online programmes are been organised with the partner schools from different countries.

BEYOND CURRICULUM

KALANAIPUNYA: A SKILL DEVELOPMENT INITIATIVE

Kalanaipunya is a collaborative venture between the Fine Arts and Commerce departments that empowers students to craft an array of handmade items, including paper bags, jewellery, paintings, Shagun envelopes, wax candles, and jute bags, using recycled materials and raw resources. The Commerce department plays a pivotal role in marketing these creations, turning student creativity into valuable entrepreneurial experience.

Kalanaipunya thus, equips students with lifelong skills, merging artistry with commerce to foster holistic development.

AWAKENING PROGRAM (AP) & AWAKENED CITIZEN PROGRAM (ACP)

The school is dedicated to nurture a socially aware and value-driven generation through its Awakened Citizen Program (ACP) for Classes VI-VIII and the Awakening Program (AP) for Classes I-V.

ACP empowers middle school students by building self-confidence (Atmashraddha), decision-making abilities, and unlocking their potential through interactive sessions focused on self-discovery and reflection. The Awakening Program for primary students emphasises holistic personality development in alignment with NEP-2020. Through storytelling and engaging activities, the program helps young children naturally embrace important values. These initiatives work collectively to shape responsible, compassionate, and future-ready individuals.

BEYOND CURRICULUM

BAGLESS DAYS

A variety of activities, including coding, pottery, robotics, and storytelling, provide hands-on learning, fostering teamwork, leadership, digital literacy, and analytical thinking. Promoting core values and physical fitness, the program aligns with CBSE modules and NEP 2020, offering a modern, comprehensive approach to education and essential life skill development.

HOUSE/CLUB SYSTEM

The senior school has eight houses—Abhimanyu, Arjuna, Ashwathama, Gyaneshwar, Karna, Markandeya, Vashishta, and Vishwamitra—each led by captains and guided by housemasters. Annual awards foster teamwork and competition. Clubs like Aerobic, Gymnastic, Heritage, Quiz, Mathematics, IT, English Literacy, Energy Conservation, TechEdge, Disaster Management enhance creativity, critical thinking, and leadership, promoting students' holistic development.

LEADERSHIP PROGRAMMES

Mehta Vidyalaya nurtures leadership by establishing a Student Cabinet in each session, led by a Head Boy and Head Girl. With departments like Discipline and Culture, students gain authority and responsibility, honing leadership skills in a supportive environment. This prepares them to face future challenges with confidence and competence.
