6th July – World Chocolate Day Celebration

Our little chocolate lovers had a delightful day filled with fun, laughter, and sweet experiences. They explored chocolate foam sensory play, enjoyed a chocolate tasting activity, and wrapped up the celebration with a cozy Hot Chocolate Tea Party. The day was filled with sensory exploration, joyful conversations, and plenty of happy smiles.

7th July – Chocolate Day Celebration Continued

The chocolate fun continued as our young chefs enthusiastically participated in a Chocolate Making Activity, creating their own delicious treats with great excitement. The hands-on experience encouraged creativity, teamwork, and fine motor development while making the celebration even more memorable. It was a wonderful day of learning, sharing, and creating sweet memories together.

Our little ones had a wonderful time celebrating Chocolate Day through exciting hands-on experiences and engaging activities. The day was filled with laughter, creativity, and delightful moments that brought smiles to every child's face. Every activity was thoughtfully planned to encourage participation, imagination, and sensory exploration. The children had a fantastic time creating memories that they will cherish for a long time.

World Paper Bag Day 13th July

Our little learners celebrated Paper Day with creativity, imagination, and hands-on fun. They transformed recycled newspapers into beautiful flowers, collaborated on a colourful paper flower mural, and explored exciting paper-based activities. The celebration inspired creativity while reinforcing the importance of reusing and recycling.

Paper Day was filled with joyful learning as children discovered how simple paper can be transformed into wonderful creations. From crafting recycled newspaper flowers to floating paper boats and enjoying sensory play, every activity encouraged exploration and teamwork.

Our young explorers enthusiastically participated in a variety of engaging Paper Day activities that sparked their imagination and curiosity. They enjoyed creating, experimenting, and learning through hands-on experiences that enhanced their fine motor and problem-solving skills. The celebration concluded with happy smiles and meaningful lessons about creativity and sustainability.

Paper Day was celebrated with great enthusiasm as our little ones explored the endless possibilities of paper through fun-filled activities. From creative crafts to interactive water play, each experience encouraged imagination, curiosity, and hands-on learning. The day was filled with laughter, creativity, and memorable moments shared with friends.

Friendship Day 31st July

Our little learners celebrated Friendship Day with great enthusiasm through a series of fun-filled activities that highlighted the true meaning of friendship. In the Dhaga – Friends Connect Us activity, children shared what makes a good friend, spoke kind words about their classmates, and created a beautiful web of yarn, symbolising how friendship connects us through kindness, care, sharing, and helping one another. This meaningful experience encouraged empathy, teamwork, and a strong sense of belonging.

The celebration continued with engaging activities like Friendship Soup, where children mixed together the "ingredients" of a good friendship such as love, kindness, respect, and sharing. They also participated in Build One Thing, working together to create a common structure, and enjoyed the lively Mirror Dance, where partners copied each other's movements, building trust, cooperation, and coordination. These joyful experiences helped children understand that true friendships grow stronger when we work together, care for one another, and celebrate each other's uniqueness.
