The following morning brought with it a treasure trove of stories, giggles and happy memories! What began as a mysterious Halloween adventure turned into a beautiful celebration of friendship, courage, independence and togetherness. The Secret Night was much more than an overnight stay; it was an opportunity for our young learners to step out of their comfort zones, embrace new experiences and discover that some of the most wonderful childhood memories are made when we learn, laugh and explore together. A night to remember, an adventure to cherish and countless little stories to take home!
