Vision

To strive for better & better, not resting on one's laurels: seek solutions not excuses, deliver results and serve the community by providing quality education.

About BAL BHARATI SCHOOL

At Bal Bharati Public School, we believe in 'looking beyond the books,' Excellence is our motto that we strongly abide by. The school's foundation is built to serve the needs of our dynamic world and fulfill the current generation's need for quality education. Whether it's employing the latest digital tools or giving prominence to sports, music, art and co-curricular activities. We do everything in our power to raise the global citizens of tomorrow.

The school takes great interest in teaching the children important life values and how to best use them in their day-to-day lives because we look beyond the books. Encouraging their active participation in curricular and co-curricular activities such as sports, music, and art, we want the children to become the best of the best in every field.

BBPSIP ingrains the following five core principles in the day-to-day course of action:-

- Child-centric learning approach
- Interactive and one-on-one experience for better understanding
- Development of Mind and body as a whole
- Empowering teachers through training and inspirational leadership.
- Not just Focusing On Theory but emphasizing Real-life based learning as well

OUR TORCH BEARERS

Mr. S.P. Singh
(CHAIRMAN)

True education must be life sustaining and life empowering. We live our faith through a creative and competent actualization of a school culture that is broad in vision and embraces the multiplicity that characterizes our words. It gives us immense pleasure and a sense of pride to be a part of the noble mission of imparting quality education to children from all sections of society without any Kind of prejudice or discrimination.

I am possessed by a great feeling of satisfaction to witness that Bal Bharati Public School IP Yojna, that began its life as a tiny sapling, has spread its branches providing quality education and strong foundation to the youth of our nation. The school is one of the forerunners amongst the elite educational institutions in the locality. At Bal Bharati Public School IP Yojna, we aim to build and nurture a community of thinkers, compassionate and committed world citizens. The school provides a vibrant learning environment to grow into potential beings and plans to pioneer in the field of modern education.

We firmly believe in motivating students to develop creativity, spirit of inquiry, 'moral leadership' as envisioned by our former President, nation builder and visionary. We strive hard to provide a plethora of opportunities to students to grow while exploring their innate talents. The students are encouraged to participate in various competitions and activities gaining recognition for their endeavors. We relentlessly encourage students to chisel a polished path for themselves in this world of cut throat competition. Every effort is aimed to infuse confidence and team spirit in learners, to pave the way for their future and to equip them for the challenging outside world.

Ms. Goldi Gautam
(PRINCIPAL)

At Bal Bharati we strive to be an abode of knowledge that embraces each and every child with love and utmost care, envisioning an education system where students are prepared to face challenges of life believing that education should not just be a mere acquisition of knowledge, but also a balance with wisdom gained to survive and conquer today's non-linear world. At BBPSIP each child evolves in an atmosphere of love with a focus on sound moral values enabling them to grow as a compassionate and responsible human being towards society.

Our academic programme is built around the needs of the competitive world we live in. The holistic curriculum of our school enables each child to bloom in accordance to his/her innate potentials, transforming each child into a well-spoken and mindful individual.

We encourage a strong focus on academics with individual monitoring and counseling for the students through 'Mentor ship' to elevate each student's potential to a higher level of performance. Our strategies involve direct contact with the parents by teachers who analyze and devise ways to help each child develop confidence in themselves.

Bal Bharati nurtures a vision to bring forth responsible and self-developed citizens who will make all proud with their stellar role in nation building. The education gained at Bal Bharati will become the means to their all-round success in ever evolving and competitive global scenario. The school relentlessly works to produce empowered individuals who are committed to Indian ethos and culture while keeping the adage 'modernity blends with tradition' alive.

At Bal Bharati Public School, Indraprasth Yojna , each child is a promising vision personified, fully equipped to touch the infinite sky with a sound determination and a conviction that – It Could, It Should and It Must!

We believe in the golden triangle of the school, and the parents being the firm base that gives stability to each child reach the summit.

BBPS CURRICULUM

PRE- PRIMARY SCHOOL

Every child is different. They have various capacities to learn and avail of opportunities to maximise their potential. In classroom settings of pre primary , it is of utmost importance that individual attention is paid to all students. Our Educators place special emphasis on a collaborative plan of learning, which is further customised as per the different needs of the children. We at Bal Bharati Public School pay individual attention to our students which allows each and every student to shine at their best capabilities. This fosters healthy classroom environment.

PRIMARY SCHOOL

At primary level we initiate students to build upon their existing knowledge and enthusiasm through experiential learning. The assessment comprises of written assessment where in children are assessed for their conceptual clarity, critical and logical thinking and comprehension skills. A part from the pen paper assessments children are motivated to conduct research through projects and prepare presentations. The concepts taught are reinforced through worksheets, quizzes and experiments. Remedial measures are adopted and learning deficiencies are addressed to ensure that each child works to its fullest potential and climb up the academic ladder.

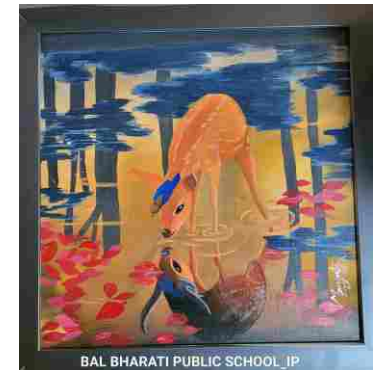

MIDDLE SCHOOL

The middle school curriculum focuses on creating enquiry in the minds of our students. It is designed to make them curious, enhance their deductive and analytical skills, build conceptual understanding and also learn to share their learning responsibly as a member of the global community. The curriculum adheres to the guidelines issued by C.B.S.E wherein emphasis is on both, scholastic and co-scholastic areas.

SENIOR SECONDARY

The senior secondary segment is the mirror of the hard work of experienced teachers and the efforts made by the senior students. This segment brims with immense energy and vibrance, where students are keen to showcase their potential to prove their mettle. Each student reflects on the ethics of the school and aspires to attain success. The segment provides innumerable opportunities for students to participate in various Inter house, Intra class, and Inter class activities. such as Literary, Theatre, Dance, Music, Debate, and Multimedia open the gates of exploration and creativity for the students. The school students' council provides the members with a platform to learn leadership qualities, teamwork, and management. Guided and mentored by experienced faculty students are trained to become global citizens.
