**BAL SABHA ACTIVITY
SWACHHTA ABHIYAAN ACTIVITY
REPORT**

DATE: 07.11.2025

CLASS: NUR-PP

THEME: SWACHHTA ABHIYAAN ACTIVITY

Our little environmental champions took part in the Bal Sabha Swachhta Abhiyaan with great enthusiasm on 7 November 2025. Through hands-on learning, children were taught the importance of segregating dry and wet waste. Using colourful bins and real-life examples, they understood how small steps can help keep our surroundings clean and green.

It was heartwarming to see our young learners actively participating, spreading the message —
“Clean surroundings, healthy living!”
