

A New Venue, More Fun & More to Explore!

Dear Parents,

Greetings !

We wish to inform you that the venue for our upcoming school trip has been changed from Worlds of Wonder ,Noida to **RURBAN RESORT, MURADNAGAR.**

After careful review we felt that the earlier venue was primarily centred around water-based activities and children would have spent a considerable time only in water. The other rides etc. at WORLDS of WONDER are under renovation therefore there was very little scope for much recreation.

The new venue offers a **wider variety of recreational activities**, giving children more opportunities to play, explore, relax and have fun together. The change has been made keeping in mind the **overall comfort, safety and well-being of our students**

At **Rurban Resort**, students will enjoy:

- **A variety of fun-filled recreational activities and games**
- **Swimming pool activities**
- **Ample opportunities for outdoor fun and enjoyment**
- **A refreshing and pleasant resort environment**
- **Welcome Drink**
- **Lunch**
- **Evening snacks**

The trip charges of **₹1,400/-** remain unchanged.

All other instructions regarding **reporting/arrival, departure and swimming costumes** remain the same as communicated earlier.

For pool activities, children may carry their own **swimming aids such as arm floaties or inflatable swimming tubes**. We are confident that **Rurban Resort will make the outing an even more enriching, fun-filled and memorable experience** for our students. We assure you of constant monitoring by our teachers and staff and be rest assured that children will be well looked after.

Thank you for your continued trust, understanding and support. We look forward to seeing our children enjoy a wonderful day of **fun, friendship, laughter and happy memories!**

Warm regards,
Principal
