This year's Annual Day Programme – "Bharat Shining: Echoes of Excellence and Environmental Stewardship" – aligns with our Founder Father, Dr. K.M Munshi's enduring vision of environmental responsibility, and his belief in nurturing harmony between man and nature. Resonating with the ancient Indian and Bhavan's philosophy of Vasudhaiva Kutumbakam – "The world is one family" – it underscores a collective commitment towards a sustainable future. In collaboration with Education through Theatre, the event's centerpiece, framed within the context of the Sustainable Development Goals (SDGs), is an engaging dance drama that weaves together music, dance, and storytelling.
