“Musings of a  
Divided World,  
Resolutions of a  
United One”

*From political polarisation and  
economic disparities to cultural*

*From political polarization and economic  
disparities to cultural divides and ideological  
clashes, our world is marked by several  
divisions that threaten to undermine our  
collective progress. At **CLGWS 2025**, we embark  
on a journey that blurs physical boundaries  
and transforms conflicts into harmony and  
collaboration.*

Contrast is the use of the opposition of two diametrically opposite elements. It is useful to create a focus point in design, to make an artwork look visually pleasing. A prime example of contrast is monochrome, which is the use of the opposite colours, black and white.
