

- We are proud to announce that Delhi Public School Ranipur, Haridwar is participating in the National Entrepreneurship Challenge Junior (NEC Junior) 2026, a national-level entrepreneurship initiative by E-Cell, IIT Bombay.
✈ Through NEC Junior, our students will participate in entrepreneurship club activities, innovation challenges, workshops, mentorship sessions, and experiential learning to develop creativity, leadership, problem-solving, and entrepreneurial thinking.
★ We are excited to provide our students with this opportunity to learn, innovate, and build the ideas of tomorrow.
