## CIRCULAR TO PARENTS

Dear Parents

*"School is where you discover yourself, build lifelong friendships, and create stories that stay with you forever."*

Khoj is an echo of glee, fun and lots of enjoyment which is held every year for the students of Class V to cherish their student life and appreciate the most memorable night spent in school their second home.

The purpose of this adventurous event is to make the students aware of the love, concern and care for each other and also to make them understand compassion and sociability towards their friends along with alertness and self-awareness.

The purpose of life is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experience."
