Productivity is always the result of a commitment to excellence, intelligent planning and focused effort.

Dear Parents,

After a delightful and invigorating summer hiatus, I'm sure that the students are replete with renewed energy to optimize their learning. We hope that the holidays were fortuitous to avail all the resources and opportunities to engage in meaningful conversations with peers and family.

The young learners will soon be on their mettle in the forthcoming Formative Assessments (FAs) which will evaluate various domains of their knowledge. We believe that they would have geared up for these assessments.

In the coming months myriad of opportunities to participate in co-curricular activities would be offered to the students for their holistic development. At this point it would be pertinent to stress on the inclusion of millets in their dietary routine- this would bestow upon our children with good health and an alert, inquisitive mind.

We look forward to your continued support in all our endeavours.

Warm Regards
Balmit Kaur
Principal

EARTH DAY

Street plays hold a significant place in community engagement and creating social awareness. In the cacophony of everyday life, we must not forget the voice of nature. Through a Nukkad-Naatak, we celebrated the Earth Day in a special assembly conducted on April 19th by the students of XII-B and on May 22nd by students of class IV. This was an initiative to remind everyone that even small action counts in the fight against environmental degradation. Whether it's reducing our carbon footprint, conserving water, or advocating for sustainable policies, each of us has the power to make a difference and renew our commitment to the planet, for it is our home, our sanctuary, and our legacy. The audience took an oath to commit themselves to protecting our planet not just on Earth Day, but every day for a more sustainable world not only for ourselves but for the future generations too.

COMMEMORATING THE BIRTH ANNIVERSARY OF RABINDRANATH TAGORE

To honour Rabindranath Tagore's birth anniversary, Delhi Public School organized diverse activities celebrating his contributions to literature, poetry, and philosophy. Class VI students participated in a "Story Reading" of 'Kabuliwala,' exploring themes of human connections. Class VII students created slogans and quotations by Tagore. Class VIII students designed book covers based on Tagore's stories, showcasing their artistic skills. Classes IX to XII developed timelines of Tagore's life, enriched with photographs and illustrations. The school atmosphere resonated with Rabindra Sangeet, and the Music Department, along with the school choir, performed iconic songs like "Ekla Cholo Re." These activities fostered a deep appreciation for Tagore's enduring impact on literature and culture.

STUDENT COUNCIL ELECTIONS

On 9th May, 2024 the precinct of Delhi Public School, Ludhiana geared up for its first ever Student Council Elections. Students were given a unique chance for hands on participation via the Student Council elections. Voting is a mode for the students to be involved in framing the school structure and is the fairest, most proficient way to run a school election. The students and teachers voted keenly and with unwavering enthusiasm. The onus that rested on the shoulders of each voter reinforced the significance of 'One Man One Vote' model of our democratic nation. It reiterated the tenets of a democracy as this event bequeathed the students a sense of responsibility and showcased the boundless power that a voter revels in a democratic setup. The results will be out in the month of July.

World Dance Day

On April 29th, DPS Ludhiana celebrated World Dance Day with a vibrant display of various dance forms showcasing a diverse range of genres. The event witnessed children exuding talent and passion as they performed dances that highlighted cultural diversity and artistic expression. The day intends to unite people through dance as a common language. It was a day filled with rhythm, creativity, and unity through the universal language of dance.

ATL COMMUNITY DAY

On April 20, 2024, DPS Ludhiana celebrated ATL Community Day, honoring Dr. B R Ambedkar. The event included students from Government Sr. Sec. School Ayali Kalan, Khurd, with Principal Ms. Kanwaljot Kaur and Mr. Jasvir Singh as guests of honor.

Attendees visited a Techno exhibition showcasing innovative projects like an Electricity Generator, ATL Mall Parking System, Path Follower Car, and more. Students also demonstrated website designs.

Participants were divided into groups for sessions in Arduino Programming and Motor Chassis Tinkering Kits, making motor-controlled cars. Activities included Alchemy Fun, Electronic kits, Soldering, Force and Pressure experiments, drone flying, and virtual reality experiences, enjoyed by all.

FIRE SAFETY WORKSHOP

On April 18, 2024, Delhi Public School conducted a fire safety awareness workshop to enhance students' and staff's knowledge and skills in preventing and responding to fire emergencies. The session began with a tribute to Mumbai's fallen heroes, highlighting fire safety's critical importance. Fire safety experts presented on the conditions for fire (fuel, air, and heat) and categorized fire types (Class A, B, C, and D). They demonstrated safe evacuation techniques, such as crawling to avoid smoke. The workshop covered three primary fire extinguishing methods: Cooling, Smothering, and Starving, with practical examples. Participants learned about fire extinguisher composition and use. The session ended with a Q&A, reinforcing fire safety protocols.

WATER PLEDGE

In an effort to raise awareness about water conservation, students and teachers at DPS Ludhiana took a Water Pledge on May 6, 2024. Emphasizing the vital role of water in all living organisms, everyone committed to conserving every drop and promoting water management practices to minimize wastage and maximize beneficial uses.

EARTHQUAKE DRILL

Continuing efforts to prepare students for adverse circumstances, DPS Ludhiana conducted an earthquake drill on May 7 for all its students and staff. The earthquake drill is a regular event in school that aims to train students on how to respond effectively to seismic events, ensuring their safety and readiness in times of emergency situations.

RAMBO CIRCUS

On May 22, 2024, DPS organized a thrilling circus show by Rambo Circus in the open-air theatre for classes IV to VIII. The hour-long performance featured acrobats, aerialists, jugglers, and sword balancers, captivating the audience with their skill and daring. Jugglers impressed with their dexterity, while clowns entertained with comical stunts. The show included hula hooping, skating, ladder balancing, and skipping acrobats. The finale, with the Indian flag raised, fostered unity and pride, making the event a memorable success. It was an exceptional experience for the students at DPS Ludhiana.

IDE BOOTCAMP AT CHANDIGARH ENGINEERING COLLEGE

The Department of School Education and Literacy, along with AICTE, MIC, CBSE, and NCERT, held a two-day IDE Bootcamp at Chandigarh Engineering College, Mohali. Our IT faculty, Ms. Jasmeet Kaur and Class VII student Arnav Garg from DPS Ludhiana attended this program. Dignitaries included Mr. Amit from Wadhvani Group, Mr. Amit Kaushal from AICTE, Dr. Haroon Anwar, Dr. Prachi Gaur, Dr. J.K Sharma, Dr. Anshika Bansal, and Mr. Prakash Nimbalkar. Sessions focused on problem-solving and entrepreneurial skills and gave an insight.

Climate Convocation

The Climate Convocation Second Chapter, was held at AAETI, Neemli, Rajasthan from April 23-25, 2024. It engaged educators in climate change education. Souparno Banerjee, Senior Director of Environment Education, in his inspiring interaction outlined CSE's journey since 1980 and its comprehensive agenda, including climate change's links to food, waste, health, and wellness. The event provided educators with valuable resources and interactive sessions to enhance their understanding and effectively integrate climate change education into their classrooms, fostering a sustainable future.

TEACHERS' TRAINING

A two-day Art Integration workshop on May 11 and 12, commenced with a resounding purpose of making a transformative shift in the perceptions and attitudes of children towards the Annual Theme for the current academic year '**Mindset Change Not Climate Change**'. During this workshop, teachers from Grade I to III, alongside the Visual Arts department and the Performing Arts department discussed ways to integrate the power of art with a profound sense of environmental consciousness in students.

THE ARTFUL TEACHER WORKSHOP

The Artful Teacher Workshop was organized at DPS Ludhiana for four days from May 20 to May 23, 2024. It was facilitated by Ms. Sanjna Kapoor and Ms. Mukta. The workshop aimed to provide teachers with a platform to explore various forms of art and unleash their creativity. It inspired participants to tap into their imagination and express themselves through art work. Several activities were incorporated into the workshop to inspire creativity and provide structure for artistic expressions.

FIRST - AID WORKSHOP

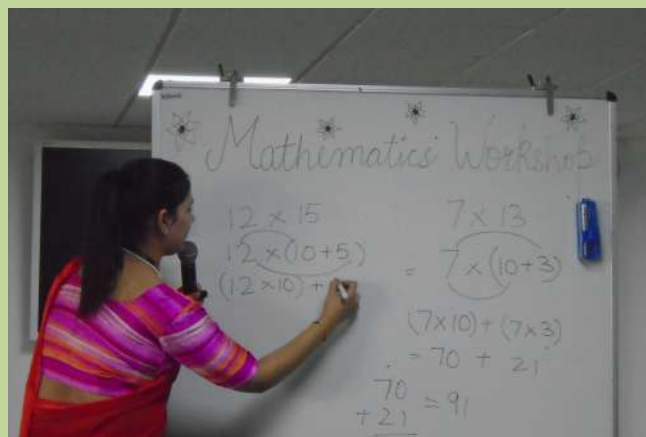

The VIVO Emergency Responder Training was an intensive course designed to equip emergency response teams with essential skills and knowledge to manage medical, trauma and environmental emergencies effectively. This intensive five - day training from June 25th to June 29th, 2024, was conducted by Mr. Manu Yadav at DPS Ludhiana. The workshop was attended by teaching staff and service staff, reflecting the program's comprehensive approach to preparing all school personnel for emergencies. The training aimed to equip participants with critical skills and knowledge to handle emergency situations effectively, ensuring the safety and well - being of the community.

PARENTAL WORKSHOP - MATHEMATICS

In today's rapidly changing world, it is crucial that children develop critical thinking skills and the ability to apply their theoretical knowledge in real-life situations. With this in mind, Delhi Public School, Ludhiana organized a Mathematics Parental Workshop for the parents of Class IV students. The session began with a warm welcome by Junior Wing Coordinator, Ms. Anjali Chaudhry, who expressed gratitude for the parents' continuous support and trust in the educational system.

The workshop, led by Ms. Rajneesh Dhillon, aimed to share the teaching and learning practices used in the classroom with the parents. Through interactive activities and demonstrations, the facilitators helped the parents understand the progression of mathematical concepts from Nursery to Class III, the importance of table formation over rote learning, and effective methods of multiplication. Ms. Anika took the parents on a journey of the multiplication world, while Ms. Dhillon provided an overview of teaching fractions using engaging games and the Maths Kit. The session concluded with a lively discussion, where parents actively participated and had their doubts cleared, contributing to a successful and enriching experience for all.

SWIMMING CAMP

DPS Ludhiana organized a swimming camp for its students from May 20 to May 31. The camp aimed to enhance swimming skills, promote fitness, and encourage water safety. Participants enjoyed structured training sessions under expert guidance, making it a fun and educational experience for all involved.

ACHIEVEMENTS

A two-day chess championship was organized by Ludhiana District Chess Association in the month of May. Following students of Delhi Public School emerged victorious in various categories.

Avantika Oswal - under - 11 category girls

Inayat Arora - under - 17 category girls.

Abhinav Gupta - under - 17 category boys
