PARENTAL CIRCULAR

DPS/PAT/PC/12/26-27 22 October 2026

Dear Parents

Parivartan as the name implies is a hive of activities aiming towards social change. Students participating in the Rural Immersion Programme (RIP) to be held at Parivartan from 1 to 6 November 2026 will be agents of such change and witness many community leaders from different walks of life sharing their rich experiences and vivid insights. Research is the precursor of change and the students will embark upon social research under the guidance of mentors and thus be actively involved in understanding rural realities. Interaction with experts from the field of rural development and the Indian classical performing arts concerts will also be a part of this initiative to provide the best exposure to participants.

As the much-awaited RIP draws near, we wish to communicate the following prerequisites to ensure that it is a fruitful and successful endeavour for the participants.

ONWARD JOURNEY AND RETURN

- Departure: Seven buses will start from their respective first stop at 6.00 a.m. on Sunday, 01November 2026. The routes and the pick-up stop will be shared closer to the date of RIP. Students, dressed in the H & P.E uniform, should be present 15 minutes before the expected time of the buses reaching their stop. All the buses will bring the students to the Junior Wing campus by 6.45 a.m. before leaving for Siwan at 7.00 a.m. If any participant misses the bus from her/his respective stop, s/he can directly report to the Junior Wing campus and board the bus for this trip, but not later than 6.45 a.m.
- Return: The buses will depart from Narendrapur village (Siwan) at 1:00 p.m. on Friday, 06 November 2026, and are expected to reach Patna by 5:30 p.m., subject to traffic conditions. The exact pick-up point will be shared with you closer to the date of arrival.
