PARENTAL CIRCULAR

17 February 2025

DPS/PUN/PC/2024-25/069

Dear Parents

We express our heartfelt gratitude for your whole hearted support and cooperation for the Annual function. It is worthwhile to mention that other than the fun and learning that takes place on the stage, there can be many life lessons learned off stage too! One such important lesson is that of REDUCE, REUSE and RECYCLE which we have always actively promoted towards achieving the goals of sustainable development. As inhabitants of this green planet, let us all do our bit by being conscious of the environment.

A concerted effort has been put in place so that all the costumes that have been made for the annual function can be re-used for various events and functions to be held in the future. Your cooperation is sought in this regard and you are therefore requested to have the costume worn by your ward, dry-cleaned, neatly labelled and thereafter handed over to the class teacher on Monday, 24 February, 2025.

We solicit your support as always and are assured that we all realise that by this endeavour, we 'take nothing away but memories and leave nothing behind but footprints'!

Regards

Team DPS
