"The secret to getting ahead is getting started." Mark Twain

As The *TES Orbit* marks its *50th Edition*, we're looking ahead to the dreamers, builders, and risk-takers defining our future with our upcoming theme: 'Entrepreneurship and Start-ups'. Be part of this commemorative issue by sharing your insights, stories, and creative takes in the form of:

- ***Theme-based articles/contributions***

1. Alumni Spotlight: From Campus Ideas to High-Growth Startups
2. The Future of Startups with AI: Scaling Ideas at Lightning Speed
3. Bootstrapping vs. Venture Capital: Choosing the Right Growth Path
4. Impact Innovation: Green Startups Tackling Climate & Sustainability
5. The Student Entrepreneur's Playbook
6. Social Entrepreneurship: Building Ventures with Profit and Purpose
7. The Zero-Dollar Startup: Building with No-Code & Open Source Tools
8. Failing Forward: Why Early Setbacks Are a Startup's Greatest Asset
9. Gen Z and the Creator Economy: Turning Content into Scalable Brands
10. AI startups, green business, teen hustles, or FinTech trends.
11. Opinion pieces on business ethics.
12. Comic strips, startup caricatures, info graphs, or cover art proposals.

- **TES Orbit "Spark & Scale" Challenge!**

Instead of a typical holiday assignment, launch your dream startup this season with the TES Orbit "Spark & Scale" Challenge! Pitch your most innovative, real-world business idea for a chance to win exciting rewards, earn exclusive mentorship from industry leaders, and get featured on the cover of our landmark 50th edition magazine.

- **Articles/Contributions for Campus Capers**

1. Book Shelf- To write a Book Review 2. Travel Memoir- To write a travelogue
3. Art Endeavours- Illustrations on the theme or any other topic in Jpg format (a collaborative illustration and article is also permitted)
4. Freeze Frames- Photographs in Jpg format
5. What Truly Matters- A feature on manners/etiquette/courtesy/marketing strategies etc.
6. Tinkering Tranche- Projects/ideas that enumerate neoteric excellence and have the potential of being replicated on a large scale
7. Candid Words- Letter to the Editor for feedback on the previous issue
8. The Reflective Student - Student's take on as budding Entrepreneurs

- **Kindly adhere to the following details while sending the articles:**
- We invite articles in both **English and Hindi.**

• Word limit can vary between 200-250 words

The success of TES Orbit has been largely due to the willing participation of **students, parents, subject expert alumni and teachers**. We look forward to your continued support.
