Dear Parent,

With the overwhelming response and the great results of our last year of Cambridge English Assessment, we are now enthusiastic to announce that the registration for the upcoming year's Cambridge Assessment is now open.

The Cambridge English Programme is mapped to the CEFR (Common European Framework of Reference for Languages) – an international standard used in over 140 countries. It provides a clear path from beginner to advanced levels (Pre-A1 to C2), helping your child build globally recognised English skills that support academic growth and future international opportunities. In our school, we have observed a marked improvement in both the language skills and the confidence levels of the students. We also recognize that gaining a certificate from the University of Cambridge is extremely motivating for the students.

The exam will be held within our school premises on a date which is convenient for both the school and the students, and the fee can be paid at the school. The last date for registering your child is **22<sup>nd</sup> July, 2025**.
