From The Principal's Desk

"Great leaders don't set out to be leaders — they set out to make a difference."

The months of October and November painted a lively picture at Delhi Public School, Bharuch. The campus buzzed with excitement, laughter, and learning as students and teachers came together to celebrate, explore, and grow. Every corner of the school radiated the spirit of togetherness, a beautiful blend of awareness, creativity, and festive cheer.

The season began with meaningful observances like Swachhta Diwas, reminding everyone of the power of collective responsibility. The Inter-School Chess Competition sparked healthy competition and strategic thinking, while the joyful Diwali celebrations and the vibrant Kids Carnival filled the air with colours, lights, and endless smiles. Each event was more than an occasion, it was a moment of learning, teamwork, and happiness.

Our little ones in the pre-primary section also had their share of discovery and delight. Through theme days, creative activities, and exciting field visits, they explored, expressed, and experienced the joy of learning in their own playful ways.

These months reminded us once again of what makes DPS Bharuch truly special - a place where every event becomes a celebration, every experience becomes a lesson, and every child's smile reflects the joy of learning.

Warm regards
