Date: 4<sup>th</sup> April, 2026

Dear Parent, Greetings!!

*"Where students meet strength, grace, and adventure — on horseback."*

With great enthusiasm, we would like to inform you that our school is resuming **Horse-Riding classes** for students of **Classes VI to X** as an extracurricular activity for the academic session 2026-27. This programme aims to provide students with a unique opportunity to learn horse-riding, develop confidence, discipline, physical fitness, and an appreciation for animals and outdoor activities. The activity will be conducted during regular school hours.

Considering safety perspective, interested students must carry safety kit for horse riding classes which includes Trousers (tight and cotton material), Shoes (Long Boot or if short length shoes then horse riding rolls) and safety helmet.

Parents are requested to give consent by filling in the following google form:
