Dear Parent,
Greetings!!

In our continuous endeavour to enhance the comfort, safety, and overall commuting experience of our students, the school is considering the introduction of Air-Conditioned (AC) school buses, subject to the consent and response received from parents.

The proposed initiative aims to provide students with a more comfortable and convenient travel experience, especially during extreme weather conditions. In the event of the commencement of the AC bus facility, the existing transportation fee of Rs. 2,100/- per month is proposed to be revised to Rs. 3,000/- per month. Hence, we seek your valuable consent and feedback before proceeding further.

Kindly give your consent through the google form attached:

Also note, the introduction of the AC bus facility shall be considered based on the overall response and feasibility.
