DPSB/CIR-NOT/2026-27/035

Date: 10th July, 2026

Dear Parent, Greetings!!

"Green is the prime colour of the world, and that from which its loveliness arises."

As part of extended learning, Delhi Public School, Bharuch, will celebrate **Green Day on 15th July, 2026 (Wednesday)**. The celebration is part of our efforts to create environmental awareness and teach our children the importance of green in nature. This day will be filled with fun activities that will help our students appreciate the beauty of nature and understand the importance of preserving our environment. We look forward to your child's enthusiastic participation in this celebration.

Kindly Note:

- Students are requested to wear attire in any shade of green.
- Children may bring any green-coloured toys to school for show-and-tell activities.
- Students are encouraged to prepare a few lines about the colour green.
- Please ensure your child brings a green-coloured fruit in their fruit box, such as a green apple, pear, or green grapes.
- A fun-filled activity will be conducted in the class.
