Dear Parent,

The language a child learns in the early years becomes the language of their thinking, learning, and expression for life. In today's increasingly globalised world, proficiency in English is not just an advantage, it is essential. With this vision, we are delighted to continue the **Cambridge English Programme as a compulsory part of the curriculum for Classes 2 and 3**, ensuring our students build a strong and confident foundation in English from the very start.

The Cambridge English Programme is mapped to the CEFR (Common European Framework of Reference for Languages) – an international standard used in over 140 countries. It provides a clear path from beginner to advanced levels (Pre-A1 to C2), helping your child build globally recognised English skills that support academic growth and future international opportunities.

Key Details:

- The programme will be **compulsory for all students of Classes 2 and 3**.
- Assessments will be age-appropriate and designed to engage young learners in a fun and supportive environment.
- Classes will be conducted during school hours, ensuring a smooth integration with the existing curriculum.
- In line with our past practice, and recognizing the long-term academic benefits in support of our learners, the **school management has decided to bear 50% of the programme cost**. The remaining 50% will be contributed by the parents.

For Class 2	For Class 3
