

DELHI PUBLIC SCHOOL BHARUCH Circular

DPSB/CIR-NOT/2026-27/038

Date: 20th July, 2026

Dear Parent, Greetings!!

"Brave kids speak up. It's always okay to ask for help."

It is crucial to empower our children with knowledge to keep them safe. With this goal in mind, the **Pre-primary wing of Delhi Public School, Bharuch**, is organizing a special session on **"Good Touch & Bad Touch"** on **22nd July, 2026 (Wednesday)**.

The session aims to educate our young learners about the concept of the **"Good Touch & Bad Touch"**. Our dedicated teachers will explain the concept of the safe circle, ensuring our children understand boundaries and feel empowered to speak up if they ever feel uncomfortable.

Kindly note:

- The demonstration will be on basic safety skills.
- Students must wear a proper school uniform.
- The session will be conducted in an age-appropriate, interactive manner to help children understand the concepts of safe and unsafe touch.
- The activity will be conducted during regular school hours.
