

DELHI PUBLIC SCHOOL, JAIPUR**Class XI****2024-25**

Dear Parents:

The subjects opted by students for class XI are based on their aptitude and preference. While deciding the subjects for your ward, please have a detailed discussion regarding their interest and aspirations to help them make an informed choice.

Please Note:

- The subjects offered to the students are as per the subject groups mentioned below. These groups have been structured keeping the options usually taken by the students.
- We are open to students opting for a subject from different subject groups. Please note that the choice of subject allotted will depend upon a minimum of **fifteen students** opting for it.
- It is mandatory to opt for sixth subject in class XI (2024-25). The students must appear in all internal exams in class XI including the sixth subject. This is done to support the students as per CBSE guidelines. The students will be provided support in the subject.
- The criteria for allocation of the opted subjects will be based on the performance of the student in Pre-Board I/II examinations (Best of Pre-Board I / II examination) and will be shared in January 2024.
- The final allocation of subject group will be done after the declaration of the Board result by CBSE.
