DISCIPLINE POINTERS

As we embark upon this new session, we would like to emphasize upon the critical role of positive discipline in nurturing the growth and success of our children.

As a thumb rule, let us keep the following points in mind:

- Maintain open communication with your child. Encourage them to express their thoughts and feelings and listen attentively to their concerns.
- Ensure that the child wears proper school uniform.
- The school shall take very strict action in case of any misbehavior or indiscipline on the school campus.
- Usage of unparliamentary language in school will lead to disciplinary action.
- **Kindly monitor the usage of mobile phones and social media at home. The school campus is a mobile free zone. Children caught with mobile phones or any other devices will face action. Please talk to your child, counsel them and keep checking that they are not carrying anything objectionable or undesirable to school.**

By working together and maintaining a consistent, positive approach to discipline, we can help our children develop the skills and values they need to succeed academically, socially, and personally.

Looking forward to having an enriching and rewarding year ahead. Wishing good health and happiness to all.
