Dear Parents,

Kindly review the details of your ward on the school portal and ensure that the following information is correct in our records:

- Student's name
- Date of Birth (DOB)
- Father's/Mother's name
- Contact numbers of father, mother, and primary mobile number
- Primary email address
- Upload latest photograph of parents (Photo must be clear and in passport size, as it will be used for the Parent ID card for the next academic session)
- Permanent and Correspondence/Current address (We will consider your current address for the Student ID card)

This is to ensure that ID cards, report cards, and other certificates are generated correctly as per our registered data in the ERP system.
