# BLESSING CEREMONY

With the board examinations fast approaching, Class X and XII students find themselves immersed in rigorous academic preparations, navigating the whirlwind of revision and re-revision, accompanied by the inevitable pre-exam anxiety.

To invoke divine blessings and instil a sense of calm and confidence, the school organized a sacred Saraswati Puja followed by a Havan on February 3. The atmosphere was filled with devotion as prayers were offered to Maa Saraswati, the goddess of wisdom, learning, and intellect. May her divine grace bestow upon our students clarity of thought, unwavering focus, and the wisdom to excel, enabling them to approach their exams with self-assurance and emerge victorious in their academic endeavours.

Picnics hold a cherished place in the hearts of students, offering a break from the rigors of academics and a chance to create lasting memories. This year, the students from classes I to XI embarked on an exciting journey to Vananchal (VI TO XI) and Camp Dilly (I,II,III,IV,V) for their much-anticipated picnic.

Upon arrival, they were greeted with a delightful spread of breakfast, setting the tone for a day filled with adventure and camaraderie. The students were divided into two groups, each embarking on a unique exploration of the surroundings.

One group ventured into the lush greenery, trekking along village paths, soaking in the serenity of nature. Meanwhile, the other group embarked on adrenaline-pumping adventures, navigating rope ways under the watchful eye of experienced guides, ensuring both safety and exhilaration.

In addition to these thrilling activities, the students immersed themselves in the art of pottery and were mesmerized by a captivating magic show, adding an extra layer of enchantment to the day's festivities. The rustic charm of a tractor ride offered a glimpse into village life, further enriching their experience.

Amidst all the excitement, a lavish lunch awaited, satisfying their hunger and providing a moment of respite to reflect on the day's adventures. Every moment was carefully captured on camera, ensuring that the memories created would be cherished for years to come.

Indeed, the purpose of the picnic was more than fulfilled, as students reveled in the joy of exploration and adventure, forging bonds that would last a lifetime.
