English Language Week 2025-26 18th to 25th June 2025

*“Language is the road map of a culture.
It tells you where its people come from
And where they are going.”*

"Delhi Public School Harni unfurled the vibrant petals of Language Week from June 18th to June 25th, 2025, amidst an aura of jubilation, as the institution celebrated its resplendent Twenty Glorious Years! This momentous occasion was a testament to the school's unwavering commitment to excellence, leaving an indelible mark on the hearts of its students, teachers, and mentors.

The week's festivities were a kaleidoscope of creativity, as innovative English activities burst forth in every classroom, like a bouquet of colourful flowers. The synergy of technology and imagination ignited a spark within the students, revealing their latent talents and nurturing their passion for the English language.

Throughout the week, a wide range of engaging activities were organized to boost students' confidence and creativity. In Class I-Favourite Fairy Tale Character, Class II-Word Chain, Class III-Spin a Yarn, Class IV-Ad-Mad Show, Class V-Book Review, and more.

In Class VI, pairs of objects came alive with witty dialogues, like playful sprites dancing on the stage of imagination. Class VII students donned masks, finger puppets, and umbrellas in radiant hues, transforming their classrooms into veritable theaters of creativity. The poetic prowess of Class VIII students shone brightly as they wove verses from short stories, like masterful weavers crafting tapestries of words.

Class IX students breathed life into the parts of speech, personifying them with dramatic flair and informative skits that left the audience spellbound. Meanwhile, Classes XI and XII crafted mesmerizing presentations, imbuing prescribed poems with depth and nuance, as they enthralled their peers with captivating activities.

Special assemblies were conducted during the week, featuring motivational quotes, speeches by teachers and students on the importance of the English language, intriguing facts, songs, and a variety of thought-provoking and inspiring presentations. These were presented by the students of Delhi Public School, Harni.

The school premises came alive with colourful displays and informative charts on English grammar, literary genres, and the works of renowned English authors such as Rudyard Kipling, Ruskin Bond, J.K. Rowling, and poets like John Keats, William Wordsworth, and Percy Bysshe Shelley.

The core objective of English Week was to foster critical and explorative thinking, sharpen the LSRW skills (Listening, Speaking, Reading, and Writing), and encourage the correct usage of spoken English.

Inter-school competitions were held across multiple languages, with **11 schools** participating enthusiastically. Students demonstrated their linguistic prowess and creative flair through a wide range of engaging competitions.

The successful execution of the event was made possible by the unwavering support of our school management, the constant encouragement of our respected Principal Madam Deepali Sekhon, the mentoring of the Headmaster Mr. Sanjay Kumar Singh and the Headmistress Madam Mausumi Guha along with the dedicated efforts of the vibrant and enthusiastic teachers of the English Department.

Sensitization Programme

“SAY NO TO SUGAR” CAMPAIGN

As part of an awareness initiative on healthy eating habits, our school organized a special campaign titled "Say No to Sugar". The event aimed to educate students about the harmful effects of excessive sugar consumption and to encourage healthier lifestyle choices.

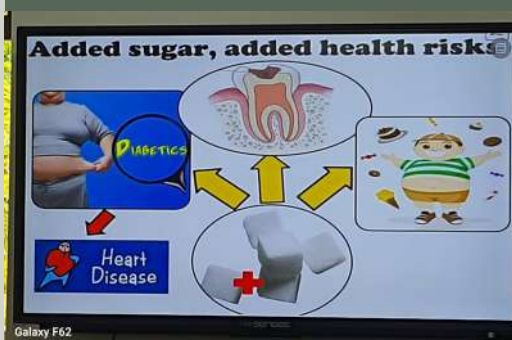

The program began with the screening of an informative video that highlighted the risks of high sugar intake, such as obesity, diabetes, and dental problems. It also emphasized the importance of reading food labels and opting for natural alternatives.

To further reinforce the message, creative competitions were organized :

Collage Making Competition for students of Classes IX to XII. Participants used cutouts from newspapers, magazines, and printed materials to create compelling collages that visually represented the dangers of sugar and promoted healthy substitutes.

Poster Making Competition for students of Classes VI to VIII. Young artists showcased their creativity through colorful posters with slogans and illustrations that encouraged saying no to sugary drinks, candies, and processed snacks.

The event was a great success, with enthusiastic participation from students across all grades. It not only sparked creativity but also helped spread an important health message in a fun and engaging way.
