Dear Parents,
Greetings of the day!

Dear Parents/Guardians,

In accordance with the guidelines issued by the **Central Board of Secondary Education (CBSE)**, the **three-language formula** has been made mandatory for all students from Grade VI onwards. As per these guidelines, students are required to study three languages, including at least two Indian languages.

In line with this, our school will offer Hindi and Sanskrit as the two Indian languages, along with English as a core language.

Furthermore, with the objective of enhancing linguistic skills and providing greater global exposure, German will be introduced as an add-on skill subject from Grade IV onwards.

We encourage students to take full advantage of this opportunity to develop multilingual proficiency.

For any further queries or clarification, please feel free to contact the school office.

Warm regards,

Delhi Public School
