

DELHI PUBLIC SCHOOL, MOHALI
Class VI - VII
Circular

August 20, 2026

‘A Rakhi is more than a thread; it is a symbol of the sacred bond of love, protection and togetherness.’

Dear Parents

To celebrate the spirit of Raksha Bandhan, students of **Classes VI–VIII** will participate in an **Eco-Friendly Rakhi Making Competition** on **Tuesday, 25 August, 2026**.

Students are required to **design and make an eco-friendly Rakhi** using sustainable, natural or recycled materials. Participation is mandatory.

Students may bring **jute, cotton or wool threads, recycled paper/cardboard, fabric scraps, dried flowers, leaves, seeds, wooden beads, old buttons and other reusable or biodegradable materials**.

The suggested materials are only indicative. Students may bring **any other suitable eco-friendly materials of their choice**

Think green. Create differently. Tie a Rakhi that tells a story!

Regards
Class Teacher
