Classes Nursery - X
Circular

18th July, 2026

Dear Parents

In support of the Government of India's nationwide "Ek Ped Maa Ke Naam" campaign, our school is proud to participate in this meaningful initiative that promotes environmental conservation while paying tribute to the unconditional love and care of mothers.

We encourage every student to plant one sapling in honour of their mother at home or in a suitable location within their community. This symbolic gesture not only strengthens our bond with nature but also inspires children to become responsible and environmentally conscious citizens.

Kindly click a clear photograph of your child planting or standing beside the sapling and share it with the respective class teacher.

Let us join hands in making this campaign a success by nurturing a greener tomorrow - one tree, one family, one promise at a time.

Regards
Class Teacher
