HRUDAYESH UKEY

Meet Hrudayesh Ukey, a class 12 Science student who has been a part of the Nagpur circuit for 3 years. He balances academics with strong interests in the IPL and Continuous Crisis Committees. Disciplined in his approach, he firmly believes in quality over quantity and puts genuine effort into everything he takes up. He is also a good listener who values understanding different perspectives, which reflects in his interactions and decision-making. With experience of over 25 MUNs, primarily based on IPL committees, he has developed confidence, analytical thinking, and a structured mindset, making him both focused and dependable.
