MIMUN 6.0

VARUN KALANTRI

He is a 22-year-old individual pursuing a career in chartered accountancy, complemented by an impressive track record of participating in over 100 MUNs (Model United Nations) in various capacities. Beyond his financial acumen, he possesses a deep and abiding interest in both international and national politics, driven by a desire to understand and contribute to the world's most pressing issues. This distinctive combination of financial expertise and political awareness shapes his multifaceted perspective on the world.

VANSH MANIYAR

Leveraging a five-year background in diplomacy, competition, and strategy, he brings experience spanning 40+ national and international MUNs and multiple Executive Board appointments. As a passionate cricketer, dedicated trader, and aspiring entrepreneur, he translates a competitive field mindset into the MUN arena and financial markets. Whether negotiating blocs, reading a game, or analysing markets, leadership and calculated decision-making remain at his core.
