ASSEMBLY ON PROCRASTINATION – A BANE GRADE: IX-D

24TH JULY, 2025

The students of Grade IX-D conducted a thoughtful and motivational morning assembly on 24th July, 2025 centred on the theme 'Procrastination – A Bane.' The assembly aimed to raise awareness about the negative impact of delaying tasks and the importance of consistency and time management.

The assembly began with a warm welcome by the student anchors, followed by a soulful prayer and an insightful Thought for the Day. The thought highlighted how procrastination often leads the students to choose short-term comfort over long-term achievement, resulting in stress, missed opportunities and lower self-esteem.

The highlight of the assembly was a well-scripted skit presented by the students, depicting relatable school-life situations where procrastination led to unfavourable outcomes. The scenes effectively illustrated how regular effort and discipline can prevent such struggles and help students lead more productive and fulfilling lives.

The Principal, Ms. Yogeeta Umalkar, appreciated the sincere efforts of the students and encouraged everyone to develop a habit of staying consistent, not just to achieve academic success, but to grow into responsible, kind and resilient individuals.

Overall, the assembly was engaging, informative and reflective of the students' dedication, leaving the audience with a valuable message to act today and not tomorrow.
