STORYTELLING ACTIVITY FOR LETTER M (GRADE: NURSERY)

1ST AUGUST, 2025

Delhi Public School Kamptee Road, Nagpur recently organised a Storytelling Activity for the students of Grade Nursery, centred around the letter m. Storytelling plays a vital role in early childhood education, supporting language development, stimulating imagination and nurturing emotional intelligence in young learners.

The engaging story featured delightful characters starting with the letter m, such as a magician, a mouse, a mirror, and a girl named Meena. This creative and interactive session served as an effective way to reinforce the sound of the letter m in a fun and memorable manner. The students actively listened, identified the letter m sounds and responded with great enthusiasm.

This storytelling method also introduced new vocabulary in a structured, meaningful, and visually appealing way. It helped strengthen listening skills, improve concentration and build confidence in expression. The use of familiar objects and characters made learning relatable and enjoyable for the students.

By integrating such experiential and multisensory learning methods, the teachers successfully fostered a love for stories and contributed significantly to the holistic development of the students. The activity was a joyful blend of education and entertainment, leaving a lasting impression on the young minds.
