

DELHI PUBLIC SCHOOL KAMPTEE ROAD, NAGPUR

LETTER 'A' ACTIVITY GRADE: NURSERY

19TH AUGUST, 2025

Delhi Public School Kamptee Road, Nagpur recently organised a delightful Letter 'a' Activity as an introduction to the very first letter of the alphabet for the students of Grade Nursery. The letter 'a' holds special importance as it lays the foundation for alphabet recognition and phonological awareness in early childhood education.

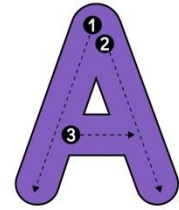

The little ones came dressed as astronauts, in aprons, as ambulances, ants, aquariums, apples, axes, and even alligators, creating a colourful and engaging atmosphere. A short story was enacted through role play to introduce the letter 'a' in a fun and memorable way. Later, the students actively participated in exciting activities like paper crumpling and letter hunting, making the learning process interactive and joyful.

This activity not only enhanced fine motor skills and sensory awareness but also helped in vocabulary building. The students learned and experienced new words such as aquarium, ambulance and alligator, all beginning with the letter 'a'. The event was a successful step in making learning enjoyable while strengthening early literacy skills.

DELHI PUBLIC SCHOOL

KAMPTEE ROAD, NAGPUR

Adventures with Letter 'a'

The Nursery students at DPS Kamptee Road, Nagpur stepped into the world of alphabets with the exciting Letter 'a' Activity. Dressed up as astronauts, ants, apples, ambulances and even alligators, the little ones brought learning to life in the most colourful way. Through role play, storytelling, paper crumbling and letter hunting, the children explored new words, enhanced fine motor skills and built their vocabulary. The activity made early literacy fun, interactive and truly memorable.
