'FIRST AID ACTIVITY' - GRADE: NURSERY

12TH SEPTEMBER, 2025

Delhi Public School Kamptee Road, Nagpur organised a 'First Aid Activity' on 12th September, 2025 for the students of Nursery to help them understand the importance of safety and care during emergencies. The teachers explained the basics of first aid such as cleaning a wound, applying a bandage and assisting someone who feels dizzy or gets hurt.

The students also observed a live demonstration of how to use a first aid box and learned the importance of staying calm in difficult situations. The activity was conducted in an interactive and engaging manner, ensuring that the students grasped the key concepts effectively.

The 'First Aid Activity' proved to be very informative and helped the students become more confident, responsible and aware of how to take care of themselves and others. It was an important step in nurturing life skills among young learners.

DAY**

Learning Safety through First Aid

Delhi Public School Kamptee Road, Nagpur organised a First Aid Activity on 12th September, 2025 for Nursery students to nurture awareness and safety skills. Our infirmary doctor and nurse explained the use of the first aid box and demonstrated what to do in case of wounds, dizziness or small injuries. The interactive session helped the young learners understand the importance of staying calm during emergencies. The activity was both engaging and informative, building confidence and responsibility among children.
