### **TWO-DAY TEACHERS' WORKSHOP ON EXPERIENTIAL LEARNING**

#### **13<sup>TH</sup> AND 14<sup>TH</sup> SEPTEMBER, 2025**

A transformative Two-Day Teachers' Workshop in Experiential Learning was held at Delhi Public School Kamptee Road, Nagpur, on 13<sup>th</sup> and 14<sup>th</sup> September, 2025 bringing together passionate educators in a shared space for professional enrichment and collaborative learning. The workshop aimed to inspire, equip and empower teachers with new perspectives on Experiential Learning, instructional innovation and effective classroom practices.

The workshop featured insightful sessions by Mr. Abhaykumar Sontakke, Principal Mount Litera Zee School, Nagpur and Ms. Savita Ajay, PGT, Montfort School, Nagpur. With decades of experience and presentation of several papers, Ms. Savita Abhay, emphasised on joyful teaching in an extremely engaging manner. Mr. Abhaykumar Sontakke, with extensive experience and a strong academic background, shared valuable insights into educational leadership and the evolving role of teachers in today's academic landscape.

Day 1 was full of power-packed sessions led by the resource persons and the enthusiastic participation of all teachers. The reflections shared and ideas exchanged paved the way for deeper contemplation and professional growth. Participants were encouraged to return the next day with renewed energy and curiosity.

Day 2 began with a warm greeting, setting the stage for another day of learning and dialogue. The sessions on the second day focussed on classroom innovations, interest developing strategies and fostering a culture of collaboration among educators. The teachers engaged in group discussions, case studies and interactive modules that encouraged practical takeaways and peer learning.

The two-day workshop concluded on an energising note, leaving teachers motivated and better equipped to create dynamic, student-centred learning environments. It was a truly enriching experience, reinforcing the school's commitment to continuous professional development and excellence in education.
