ASSEMBLY ON EMBRACING FAILURES AND LEARNING FROM MISTAKES

06TH NOVEMBER, 2025

The students of Grade X-D conducted a thought-provoking and inspiring assembly on the topic 'Embracing Failures and Learning from Mistakes.' The aim of the assembly was to help the students understand that failure is not the opposite of success but a vital part of the journey towards it.

The assembly began with a warm greeting and welcome by the anchors, who introduced the theme of the day and set a positive tone for the programme. A soulful prayer followed, seeking strength, wisdom and positivity to face life's challenges. The Thought for the Day and its explanation encouraged everyone to reflect deeply on the importance of resilience. The news bulletin included international, national, sports, DPS news and the weather report, keeping the audience informed and connected.

A skit presented by the students beautifully conveyed the message that every mistake is a lesson and every failure is a step closer to success. The informative speeches on Thomas Edison, Albert Einstein and Abraham Lincoln highlighted how great minds turned failures into stepping stones to success. A motivational song added energy and inspiration to the atmosphere.

The assembly concluded with the encouraging words of the Principal, Ms. Yogeeta Umalkar, who reminded the students to embrace challenges, believe in themselves and keep striving forward. The presentation left everyone inspired, reinforcing the message that failures are opportunities to grow, learn and shine brighter than before.

FAILURE TO SUCCESS

'From Setbacks to Success!'

The students of Grade X-D at DPS Kamptee Road conducted a motivating morning assembly on the theme 'Failure to Success' on 6th November, 2025. With expressive poems, soulful music and impactful presentations, they showcased how failures are not the end but the beginning of new opportunities. The assembly inspired everyone to stay positive, learn from mistakes and keep striving with determination and hope — reminding all that success shines brightest after perseverance.
