CAREER COUNSELLING WORKSHOP GRADES: XI AND XII

07TH NOVEMBER, 2025

A Career Counselling Workshop was conducted on Friday, 7th November, 2025 at Delhi Public School Kamptee Road, Nagpur in association with College Access Program, for the students of Grades XI and XII. The resource person for the session was Mr. Achut Sadana, Recruitment Advisor for Lakehead University, Canada.

During the session, Mr. Sadana provided valuable insights into higher education in Canada, focusing on university admission processes, scholarship opportunities and student support systems. He elaborated on the programmes offered at Lakehead University and discussed how Canadian institutions assess students' holistic development beyond academics. The session was highly interactive and engaging, offering students a clearer understanding of international education pathways and global career prospects.

The workshop concluded with an enthusiastic Q&A session, where the students sought guidance on topics such as course selection, scholarships, campus life and post-study work opportunities. Mr. Sadana answered all the queries with great clarity, leaving the students informed and motivated to explore higher education abroad.

Overall, the Career Counselling Workshop was an insightful and inspiring session that broadened students' horizons and encouraged them to make informed academic and career choices with confidence.
