CAREER COUNSELLING WORKSHOP GRADES IX AND XI

27TH NOVEMBER, 2025

Delhi Public School Kamptee Road, Nagpur organised an insightful Career Counselling Workshop on 27th November, 2025 for the students of Grades IX and XI. The session aimed to provide clarity on academic and career pathways, particularly in commerce and finance-related domains, helping the students make informed decisions about their future.

The workshop was conducted by CA Sumeet Soni, a practising Chartered Accountant from Nagpur with over 12 years of teaching experience. He holds multiple professional qualifications in accounting, auditing, taxation, financial literacy and artificial intelligence. His expertise and engaging interaction enabled the students to understand the wide range of opportunities available in commerce, the relevance of emerging financial careers and the skills required to excel in these fields.

The session proved highly beneficial as the students gained valuable insights into choosing the right subjects, exploring professional courses and developing essential competencies for future success. It was an informative and motivating experience that guided the students towards thoughtful career planning.
