BRAIN GYM ACTIVITY

17TH DECEMBER, 2025

Delhi Public School Kamptee Road, Nagpur conducted a Brain Gym activity for the students of the Preparatory class on 17th December, 2025. The activity was designed to promote early cognitive development through fun, interactive and visual-based learning.

The session involved an engaging animal-themed game where children observed animal patterns using a binocular-inspired setup and matched them correctly. The activity encouraged active participation and curiosity among the young learners.

Through this playful exercise, the students enhanced their visual perception, pattern recognition, matching skills and logical thinking. It also helped improve concentration, attention span and eye–brain coordination in an enjoyable and stress-free environment.

The activity was well received by the students and successfully created a joyful, play-based learning experience, supporting holistic development and fostering a love for learning at an early age.
