## **HOUSE ACTIVITY GRADES III TO V 20<sup>TH</sup> DECEMBER, 2025**

Delhi Public School Kamptee Road, Nagpur organised a House Activity for the students of Grades III to V with the objective of promoting environmental awareness, creativity and experiential learning. The activity formed an integral part of the school's co-curricular programme and aimed at nurturing social responsibility alongside artistic expression.

The students of Grade III participated enthusiastically in the Seed Bomb Activity, where they learnt about plant life and environmental conservation. By preparing seed bombs using natural materials, the students understood how small individual efforts can contribute towards creating a greener and healthier environment. The activity encouraged responsibility towards nature and sustainable practices.

The students of Grade IV showcased their creativity through a Clay Modelling activity, where they created Christmas-themed models using clay. The activity helped develop fine motor skills and imagination while spreading festive cheer. The students of Grade V created informative charts and posters on the theme 'Pollution Vs Solution', highlighting the causes of pollution and suggesting effective solutions. This activity enhanced critical thinking, visual communication skills and environmental sensitivity.

The House Activities witnessed enthusiastic participation and successfully fostered creativity, teamwork and environmental responsibility among students. The initiative reinforced the school's commitment to holistic education and learning beyond the classroom.

## Holistic Learning & Exploration

Learning goes beyond textbooks when students step into clubs that spark curiosity and passion. Through various club activities, our students explore new interests, develop essential life skills, and discover their unique talents. From leadership and teamwork to creativity and critical thinking, each club offers a platform for growth, confidence, and collaboration. These experiences help shape well-rounded individuals who are ready to learn, lead, and succeed in every sphere of life.
