

DELHI PUBLIC SCHOOL KAMPTÉE ROAD, NAGPUR

ASSEMBLY : HEAL THE EARTH

7TH JANUARY, 2026

The students of Nursery Octopus of Delhi Public School Kamptee Road, Nagpur conducted a meaningful morning assembly on the theme 'Heal the Earth'. The assembly began with a cheerful prayer that created a positive and calm atmosphere. The theme was introduced in a simple and age-appropriate manner, helping the students understand the importance of caring for our planet.

The students confidently shared a few lines on ways to protect the Earth, such as reducing air pollution, saving water and planting more trees to keep the environment green and healthy. This was followed by a poem on Earth, recited by the students, which beautifully expressed love and concern for nature and was appreciated by everyone present.

A special highlight of the assembly was the appearance of Mother Earth, where a student dressed as Earth conveyed a strong message about protecting and healing our planet. The assembly concluded with a lively dance performance that reinforced the theme in a joyful way. The event was informative, engaging and left a lasting impression on the young minds about the responsibility of caring for the Earth.
