**ASSEMBLY : PLANTS – OUR GREEN FRIENDS**

**8<sup>TH</sup> JANUARY, 2026**

The students of Grade I Strawberry of Delhi Public School Kamptee Road, Nagpur presented a cheerful and meaningful class assembly on the theme Plants – Our Green Friends. The event began with a prayer that created a calm and positive atmosphere, setting the tone for the assembly. This was followed by engaging songs and role plays that explained the growth and different parts of plants in a simple and enjoyable manner.

The students beautifully highlighted the importance of plants, describing them as the lungs of the Earth that provide oxygen, food and shelter to all living beings. They also spoke about ways to protect plants by planting more trees, reducing pollution and practising recycling in daily life. Their confident expressions and clear messages made the assembly both informative and impactful.

A dance performance on songs such as Little Seed and Earth is My Home, along with colourful placards and creative costumes, added charm to the presentation. The thought for the day reminded everyone that plants are like silent friends who enrich our lives. The assembly concluded with school news. Overall, the event was creative, informative and successful in spreading awareness about caring for our green friends.
