

DELHI PUBLIC SCHOOL

KAMPTEE ROAD, NAGPUR

CYBER SECURITY AWARENESS SESSION

8TH JANUARY, 2026

Delhi Public School Kamptee Road, Nagpur had the honour of welcoming the esteemed police officials for an informative and impactful awareness session conducted for the students of Grade IX. The session focused on cyber security and responsible behaviour, highlighting the importance of discipline, safety and law-abiding conduct in both digital and real-life situations.

During the interaction, the officers elaborated on Operation Thunder, an initiative led by Police Commissioner Dr. Ravindra Singhal, aimed at strengthening policing systems and ensuring public safety. The students gained valuable insights into the role of the police in maintaining law and order and safeguarding society, especially in today's digital age.

Special emphasis was also laid on Police Raising Day, which commemorates the establishment of the police force and honours the dedication, bravery and sacrifices of police personnel in service to the nation. The officers shared inspiring experiences that helped the students understand the commitment and challenges associated with policing.

As part of the session, the police officers also displayed various weapons used by the police force and explained their purpose and importance in maintaining law and order. This demonstration sparked great interest among students and helped them understand the responsibility and discipline required while handling such equipment.

The session included several real-life instances related to children and cyber crime. The students were guided on cyber safety measures, safe online behaviour and the risks of cyber bullying, online fraud and misuse of digital platforms. They were encouraged to remain alert and report any suspicious online activity. The session was highly informative and successfully created strong awareness about cyber security and responsible digital citizenship among the students.

DELHI PUBLIC SCHOOL

KAMPTÉE ROAD, NAGPUR

Empowering Students with Cyber Safety Awareness

Delhi Public School Kamptee Road, Nagpur conducted an insightful Cyber Security Awareness Session for the students of Grade IX on 8th January, 2026 led by esteemed police officials. The interactive session sensitised the students to responsible digital behaviour, cyber safety measures and the importance of law-abiding conduct in both online and real-life situations. Through real-life examples, discussions on cyber crime, Operation Thunder and Police Raising Day, along with a demonstration of police equipment, the session effectively enhanced awareness, discipline and vigilance, guiding the students towards becoming informed, responsible and safe digital citizens.
