### **FIRELESS COOKING ACTIVITY GRADE: II**

#### **24TH JANUARY, 2026**

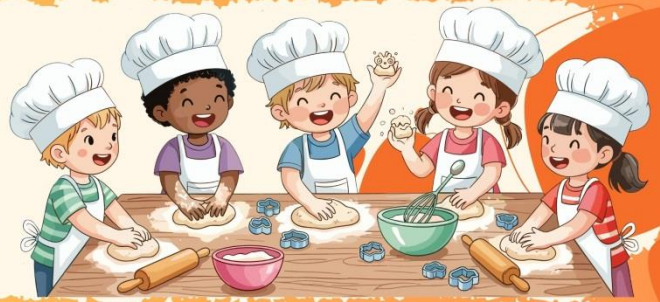

Delhi Public School Kamptee Road, Nagpur organised a Fireless Cooking Activity for the students of Grade II to encourage creativity, independence and awareness about healthy food habits. The activity provided a safe and enjoyable platform for students to learn about different ingredients, simple measurements and mixing techniques without the use of fire.

The students enthusiastically donned their chef caps and showcased their culinary skills by preparing a variety of lip-smacking dishes such as canape chaat, muffin topping and biscuit topping. The students also displayed their dishes artistically which made the presentation visually appealing and delightful. Their excitement and confidence were clearly visible as they explained their preparations.

The activity witnessed active participation and great enthusiasm from all the students. After the presentation, the students happily relished the delicacies prepared by them. The fireless cooking activity helped nurture creativity, boosted confidence and encouraged self-reliance, making it a meaningful and enjoyable learning experience for everyone involved.

### **Little hands, big smiles, and a whole lot of creativity!**

Our young chefs had an absolute blast during the fireless cooking activity, where learning met fun and imagination. From colorful fruit treats to healthy snacks, every dish reflected teamwork, confidence, and joyful exploration. This activity wasn't just about food—it was about building life skills, encouraging independence, and letting children express themselves in the most delicious way. Watching their excitement, cooperation, and pride in their creations truly made the day special. A perfect blend of fun, learning, and yummy memories that will last forever!
