## **KAMPTÉE ROAD, NAGPUR**

### **ASSEMBLY: SHAPES ADVENTURE**

**28TH JANUARY, 2026**

Delhi Public School Kamptee Road, Nagpur organised an informative and engaging morning assembly on the theme Shapes Adventure presented by the Nursery Seahorse group. The assembly was thoughtfully planned and created a meaningful learning experience for the students.

The assembly began with a prayer, thanking the Almighty and setting a calm and positive tone. This was followed by a beautiful thought, 'Be like shapes, different but important,' which was confidently explained by the little ones. Through this, the students were made aware of different shapes and their presence in the world around them in a simple and relatable manner.

The students were adorably dressed according to the theme, wearing accessories such as headgear, tiaras, wristbands, earrings and necklaces representing various shapes. The presentation moved ahead with explanations of circle, square, triangle and rectangle using eye-catching props like a chessboard, samosa, coin, pizza slice, door, and Christmas tree, helping the students easily connect shapes with real-life objects.

The assembly concluded with a lively dance performance on a shapes song, highlighting different shapes in a joyful way. The costumes and accessories worn by the dancers from head to toe were commendable and added a charm to the performance. Overall, the assembly was colourful, educational and thoroughly enjoyed by everyone present.

# Shapes Adventure

## Exploring Shapes Through Joyful Expressions

The Nursery Seahorse students of Delhi Public School Kamptee Road, Nagpur presented a delightful and engaging assembly on 'Shapes Adventure' on 28th January, 2026. Beginning with a cheerful prayer and a meaningful thought, the students confidently introduced various shapes found in their surroundings using attractive props and creative accessories. Their colourful costumes, expressive presentations and lively dance performance added charm and excitement to the assembly. The presentation beautifully blended learning with fun, making the concept of shapes easy to understand and thoroughly enjoyable for everyone present.
