NUTRI-TALK ACTIVITY GRADE: NURSERY 30TH JANUARY, 2026

Delhi Public School Kamptee Road, Nagpur conducted an engaging Nutri-Talk Activity for the students of Nursery on 30th January, 2026. The activity was organised in the form of a healthy debate, making learning about food and nutrition both interesting and interactive for the young learners.

The students participated enthusiastically and confidently and shared their views. Some students spoke in favour of the given food items, explaining their nutritional benefits when consumed in the right quantity, while others spoke against them, highlighting how excess consumption can turn even healthy food into junk food. This approach helped the students understand the importance of moderation and balance in their daily diet.

The activity successfully promoted awareness about healthy eating habits and encouraged the students to make better food choices from an early age. Overall, the Nutri-Talk Activity was informative, enjoyable and effective in reinforcing the value of balanced nutrition among the students.
