## **KAMPTEE ROAD, NAGPUR**

### **EDUCATIONAL VISIT TO VIRASAT -THE RAILWAY MUSEUM**

#### **6<sup>TH</sup> FEBRUARY, 2026**

Delhi Public School Kamptee Road, Nagpur organised an educational visit to Virasat – The Railway Museum on Friday, 6th February, 2026 for the students of Grade Preparatory. The visit was planned to introduce the young learners to different modes of transportation through an engaging and hands-on learning experience.

The students enthusiastically explored various exhibits, including old trains and locomotives. They were fascinated to learn how trains function and how railways play an important role in connecting different places. The interactive display helped the students understand basic concepts related to transport in a simple and enjoyable manner.

The highlight of the visit was the exciting toy train ride, which brought immense joy to the students. Along with fun, it also helped them learn about directions, sequencing and the importance of following instructions. Throughout the visit, the students showed curiosity, excitement and keen interest in observing their surroundings.

The educational trip proved to be a memorable and enriching experience. It made learning meaningful beyond the classroom and successfully enhanced the students' understanding of transportation through real-life exposure.
