APRIL DISCOVERY QUEST GRADE: PRESCHOOL

7TH APRIL, 2026

On the second day of the April Discovery Quest at Delhi Public School Kamptee Road, Nagpur the students of Preschool made the day lively and engaging with a variety of fun-filled activities. The initiative aimed to provide a balanced blend of enjoyment and meaningful learning experiences for the young learners.

The students of Nursery had a wonderful time dancing to energetic Zumba beats while enthusiastically using colourful pom-poms. They also explored different musical instruments, learned their names and discovered how they are played, adding a joyful musical element to their day.

The students of Pre-Nursery enjoyed refreshing water play in baby pools, engaging with balls, bath books and other water play materials. Meanwhile, the students of Preparatory participated in fascinating experiments such as Colour Storm, Magic Flowers, Lemon Volcano, Fireworks in a Glass and Magic Swimming Fish, which encouraged curiosity, observation and hands-on learning.

Overall, the day was a perfect blend of fun, creativity and exploration, leaving the students with happy memories and enriching learning experiences.

Art & Craft

APRIL DISCOVERY QUEST

CREATIVE TRANSPORT CREATIONS!

Creativity came alive as the Preschool students at Delhi Public School Kamptee Road, Nagpur engaged in Clay Modelling during the April Discovery Quest – Day 2. The young learners crafted imaginative transport models, exploring shapes, textures and forms with enthusiasm. This hands-on activity enhanced fine motor skills, creativity and visualisation while allowing the students to express their ideas freely, making the learning experience both enjoyable and meaningful.
