## **GOAL BALLOON ACTIVITY GRADE: V**

**30TH JUNE, 2026**

Delhi Public School Kamptee Road, Nagpur organised the Goal Balloon Activity for the students of Grade V on 30th June, 2026 to welcome them to the new academic session. The activity aimed to encourage the students to reflect on their aspirations, set meaningful goals and begin the year with a positive and determined mindset.

As part of the activity, each student completed the prompts, 'This year I want to...' and 'I will achieve it by...' thoughtfully expressing their personal goals for the year ahead. They then creatively decorated colourful balloon cut-outs and displayed them together on a chart paper, forming a vibrant collage of dreams, hopes and aspirations. The activity fostered self-reflection, creativity and confidence while motivating students to remain focused on achieving their goals.

Overall, the Goal Balloon Activity was engaging, inspiring and meaningful. It provided the students with an opportunity to visualise their aspirations and encouraged them to step into the new academic session with enthusiasm, determination and a strong sense of purpose.

## Goal Balloon Activity – Class V

To welcome the new academic session, the students of Class V enthusiastically participated in the “Goal Balloon Activity”. Each student wrote their goals for the year on a balloon cutout with the prompts “This year I want to...” and “I will achieve it by...”, then coloured and decorated it beautifully. The colourful balloons were together displayed on a chart, creating a vibrant collage of dreams and determination. The activity inspired students to stay focused, work hard and achieve their goals with positivity and perseverance.
